*[DRAFTING NOTE: “It is an essential public policy objective to protect consumers against stranger-originated life insurance (STOLI). STOLI is a practice or plan to initiate a life insurance policy for the benefit of a third party investor who, at the time of policy origination, has no insurable interest in the insured. STOLI practices include but are not limited to cases in which life insurance is purchased with resources or guarantees from or through a person, or entity, who, at the time of policy inception, could not lawfully initiate the policy themselves, and where, at the time of inception, there is an arrangement or agreement, whether verbal or written, to directly or indirectly transfer the ownership of the policy and/or the policy benefits to a third party. Trusts, that are created to give the appearance of insurable interest, and are used to initiate policies for investors, violate insurable interest laws and the prohibition against wagering on life. STOLI arrangements do not include those practices set forth in Section 2L(2) of this Act.*

*Trusts that are created to give the appearance of insurable interest and are used to manufacture policies for investors are illegal STOLI schemes. As the United States Supreme Court held, a person with insurable interest cannot lend that insurable interest “as a cloak to what is in its inception a wager.” Grigsby v. Russell, 222 U.S. 149 (1911).*

*Therefore, states should consider adopting an amendment to their insurable interest laws, if necessary, to provide additional protection against trust-initiated STOLI and other schemes involving a cloak, as follows:*

*‘In accordance with Grigsby v. Russell, 222 U.S. 149, it shall be a violation of insurable interest for any person or entity without insurable interest to provide or arrange for the funding ultimately used to pay premiums, or the majority of premiums, on a life insurance policy, and, at policy inception have an arrangement for such person or entity to have an ownership interest in the majority of the death benefit of that life insurance policy.’”*

The annual statement shall also include the names of the insurance companies whose policies have been settled and the Brokers that have settled said policies.
  - 1. Such information shall be limited to only those transactions where the Insured is a resident of this state and shall not include individual transaction data regarding the business of life settlements or information that there is a reasonable basis to believe could be used to identify the Owner or the Insured.
  - 2. Every Provider that willfully fails to file an annual statement as required in this section, or willfully fails to reply within thirty days to a written inquiry by the Commissioner in connection therewith, shall, in addition to other penalties provided by this chapter, be subject, upon due notice and opportunity to be heard, to a penalty of up to two hundred fifty dollars per day of delay, not to exceed twenty-five thousand dollars in the aggregate, for each such failure.

*[Drafting Note: In implementing this section, states should keep in mind privacy considerations of insureds. - C. Non-public personal information solicited or obtained in connection with a proposed or actual life settlement contract shall be subject to the provisions applicable to financial institutions under the federal Gramm Leach Bliley Act, P.L. 106-102 (1999), and all other state and federal laws relating to confidentiality of non-public personal information.

## **Section 7. Examination**

*[Drafting Note: NCOIL has established a Model Act for the examination of insurers. This Model should be applied to settlement companies. Where practicable, examination should be detailed in a rule adopted by the Commissioner under the authority of this law.]*

- A. The Commissioner may, when the Commissioner deems it reasonably necessary to protect the interests of the public, examine the business and affairs of any licensee or applicant for a license. The Commissioner may order any licensee or applicant to produce any records, books, files or other information reasonably necessary to ascertain whether such licensee or applicant is acting or has acted in violation of the law or otherwise contrary to the interests of the public. The expenses incurred in conducting any examination shall be paid by the licensee or applicant.
- B. In lieu of an examination under this Act of any foreign or alien licensee licensed in this state, the Commissioner may, at the Commissioner's discretion, accept an examination report on the licensee as prepared by the Commissioner for the licensee's state of domicile or port-of-entry state.
- C. Names of and individual identification data, or for all Owners and insureds shall be considered private and confidential information and shall not be disclosed by the Commissioner unless required by law.
- D. Records of all consummated transactions and Life Settlement Contracts shall be maintained by the Provider for three years after the death of the insured and shall be available to the Commissioner for inspection during reasonable business hours.
- E. Conduct of Examinations
  1. Upon determining that an examination should be conducted, the Commissioner shall Issue an examination warrant appointing one or more examiners to perform the

examination and instructing them as to the scope of the examination. In conducting the examination, the examiner shall use methods common to the examination of any life settlement licensee and should use those guidelines and procedures set forth in an examiners' handbook adopted by a national organization.

2. Every licensee or person from whom information is sought, its officers, directors and agents shall provide to the examiners timely, convenient and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, assets and computer or other recordings relating to the property, assets, business and affairs of the licensee being examined. The officers, directors, employees and agents of the licensee or person shall facilitate the examination and aid in the examination so far as it is in their power to do so. The refusal of a licensee, by its officers, directors, employees or agents, to submit to examination or to comply with any reasonable written request of the Commissioner shall be grounds for suspension or refusal of, or nonrenewal of any license or authority held by the licensee to engage in the life settlement business or other business subject to the Commissioner's jurisdiction. Any proceedings for suspension, revocation or refusal of any license or authority shall be conducted pursuant to Section [insert reference to cease and desist statute or other law having a post-order hearing mechanism].
3. The Commissioner shall have the power to issue subpoenas, to administer oaths and to examine under oath any person as to any matter pertinent to the examination. Upon the failure or refusal of a person to obey a subpoena, the Commissioner may petition a court of competent jurisdiction, and upon proper showing, the Court may enter an order compelling the witness to appear and testify or produce documentary evidence.
4. When making an examination under this Act, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.
5. Nothing contained in this Act shall be construed to limit the Commissioner's authority to terminate or suspend an examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this state. Findings of fact and conclusions made pursuant to any examination shall be prima facie evidence in any legal or regulatory action.
6. Nothing contained in this Act shall be construed to limit the Commissioner's authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee work papers or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action which the Commissioner may, in his or her sole discretion, deem appropriate.

*[Drafting Note: In many states examination work papers remain confidential. The previous paragraph should be adjusted to conform to state statute and practice.]*

#### F. Examination Reports

1. Examination reports shall be comprised of only facts appearing upon the books, from the testimony of its officers or agents or other persons examined concerning its affairs, and such conclusions and recommendations as the examiners find reasonably warranted from the facts.

2. No later than sixty (60) days following completion of the examination, the examiner in charge shall file with the Commissioner a verified written report of examination under oath. Upon receipt of the verified report, the Commissioner shall transmit the report to the licensee examined, together with a notice that shall afford the licensee examined a reasonable opportunity of not more than thirty (30) days to make a written submission or rebuttal with respect to any matters contained in the examination report and which shall become part of the report or to request a hearing on any matter in dispute.
3. In the event the Commissioner determines that regulatory action is appropriate as a result of an examination, the Commissioner may initiate any proceedings or actions provided by law.

#### G. Confidentiality of Examination Information

1. Names and individual identification data for all owners, purchasers, and insureds shall be considered private and confidential information and shall not be disclosed by the Commissioner, unless the disclosure is to another regulator or is required by law.
2. Except as otherwise provided in this Act, all examination reports, working papers, recorded information, documents and copies thereof produced by, obtained by or disclosed to the Commissioner or any other person in the course of an examination made under this Act, or in the course of analysis or investigation by the Commissioner of the financial condition or market conduct of a licensee shall be confidential by law and privileged, shall not be subject to [INSERT OPEN RECORDS, FREEDOM OF INFORMATION, SUNSHINE OR OTHER APPROPRIATE PHRASE] shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. The Commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as part of the Commissioner's official duties. The licensee being examined may have access to all documents used to make the report.

#### H. Conflict of Interest

1. An examiner may not be appointed by the Commissioner if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this Act. This section shall not be construed to automatically preclude an examiner from being:
  - (a) an owner;
  - (b) an insured in a Life Settlement Contract or insurance policy; or
  - (c) a beneficiary in an insurance policy that is proposed for a Life Settlement Contract.
2. Notwithstanding the requirements of this clause, the Commissioner may retain from time to time, on an individual basis, qualified actuaries, certified public accountants, or other similar individuals who are independently practicing their professions, even though these persons may from time to time be similarly employed or retained by persons subject to examination under this Act.

I. Immunity from Liability

1. No cause of action shall arise nor shall any liability be imposed against the Commissioner, the Commissioner's authorized representatives or any examiner appointed by the Commissioner for any statements made or conduct performed in good faith while carrying out the provisions of this Act.
2. No cause of action shall arise, nor shall any liability be imposed against any person for the act of communicating or delivering information or data to the Commissioner or the Commissioner's authorized representative or examiner pursuant to an examination made under this Act, if the act of communication or delivery was performed in good faith and without fraudulent intent or the intent to deceive. This paragraph does not abrogate or modify in any way any common law or statutory privilege or immunity heretofore enjoyed by any person identified in Paragraph (1).
3. A person identified in Paragraph (1) or (2) shall be entitled to an award of attorney's fees and costs if he or she is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this Act and the party bringing the action was not substantially justified in doing so. For purposes of this section a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it was initiated.

J. Investigative Authority of the Commissioner

1. The Commissioner may investigate suspected Fraudulent Life Settlement Acts and persons engaged in the business of life settlements.

K. Cost of Examinations

*[Drafting Note: The Insurance Department may have a funding mechanism for examinations and it should be inserted in this section and be consistent with other examination expenses.]*

**Section 8. Advertising**

- A. A broker, or provider licensed pursuant to this act may conduct or participate in advertisements within this state. Such advertisements shall comply with all advertising and marketing laws [statutory cite] or rules and regulations promulgated by the Commissioner that are applicable to life insurers or to brokers, and providers licensed pursuant to this act.
- B. Advertisements shall be accurate, truthful and not misleading in fact or by implication.
- C. No person or trust shall:
  1. directly or indirectly, market, advertise, solicit or otherwise promote the purchase of a policy for the sole purpose of or with an emphasis on settling the policy; or
  2. use the words "free", "no cost" or words of similar import in the marketing, advertising, soliciting or otherwise promoting of the purchase of a policy.

## **Section 9. Disclosures to Owners**

- A. The Provider shall provide in writing, in a separate document that is signed by the Owner and Provider, the following information to the Owner no later than the date the Life Settlement Contract is signed by all parties:
1. the fact that possible alternatives to Life Settlement Contracts exist, including, but not limited to, accelerated benefits offered by the issuer of the life insurance policy;
  2. the fact that some or all of the proceeds of a Life Settlement Contract may be taxable and that assistance should be sought from a professional tax advisor;
  3. the fact that the proceeds from a Life Settlement Contract could be subject to the claims of creditors;
  4. the fact that receipt of proceeds from a Life Settlement Contract may adversely affect the recipients' eligibility for public assistance or other government benefits or entitlements and that advice should be obtained from the appropriate agencies;
  5. the fact that the Owner has a right to terminate a Life Settlement Contract within fifteen (15) days of the date it is executed by all parties and the Owner has received the disclosures contained herein. Rescission, if exercised by the Owner, is effective only if both notice of the rescission is given, and the Owner repays all proceeds and any premiums, loans, and loan interest paid on account of the Provider within the rescission period. If the insured dies during the rescission period, the Contract shall be deemed to have been rescinded subject to repayment by the Owner or the Owner's estate of all proceeds and any premiums, loans, and loan interest to the Provider;
  6. the fact that proceeds will be sent to the Owner within three (3) business days after the Provider has received the insurer or group administrator's acknowledgement that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated in accordance with the terms of the Life Settlement Contract;
  7. the fact that entering into a Life Settlement Contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate of a group policy to be forfeited by the Owner and that assistance should be sought from a professional financial advisor;
  8. the amount and method of calculating the compensation paid or to be paid to the Broker, or any other person acting for the Owner in connection with the transaction, wherein the term compensation includes anything of value paid or given;
  9. the date by which the funds will be available to the Owner and the transmitter of the funds;
  10. the fact that the Commissioner shall require delivery of a Buyer's Guide or a similar consumer advisory package in the form prescribed by the Commissioner to Owners during the solicitation process;
  11. the disclosure document shall contain the following language: "all medical, financial or personal information solicited or obtained by a Provider or Broker about an insured, including the insured's identity or the identity of family members, a spouse or a

significant other may be disclosed as necessary to effect the Life Settlement Contract between the owner and provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years;

12. the fact that the Commissioner shall require Providers and Brokers to print separate signed fraud warnings on their applications and on their Life Settlement Contracts is as follows:

“Any person who knowingly presents false information in an application for insurance or Life Settlement Contract is guilty of a crime and may be subject to fines and confinement in prison.”

13. the fact that the insured may be contacted by either the Provider or broker or its authorized representative for the purpose of determining the insured’s health status or to verify the insured’s address. This contact is limited to once every three (3) months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less;
14. the affiliation, if any, between the Provider and the issuer of the insurance policy to be settled;
15. that a Broker represents exclusively the Owner, and not the insurer or the Provider or any other person, and owes a fiduciary duty to the Owner, including a duty to act according to the Owner’s instructions and in the best interest of the Owner;
16. the document shall include the name, address and telephone number of the Provider;
17. the name, business address, and telephone number of the independent third party escrow agent, and the fact that the owner may inspect or receive copies of the relevant escrow or trust agreements or documents;
18. the fact that a change of ownership could in the future limit the insured’s ability to purchase future insurance on the insured’s life because there is a limit to how much coverage insurers will issue on one life;

B. The written disclosures shall be conspicuously displayed in any Life Settlement Contract furnished to the Owner by a Provider including any affiliations or contractual arrangements between the Provider and the Broker.

C. A Broker shall provide the Owner and the Provider with at least the following disclosures no later than the date the Life Settlement Contract is signed by all parties. The disclosures shall be conspicuously displayed in the Life Settlement Contract or in a separate document signed by the Owner and provide the following information:

- (1) The name, business address and telephone number of the Broker;
- (2) A full, complete and accurate description of all the offers, counter-offers, acceptances and rejections relating to the proposed Life Settlement Contract;
- (3) A written disclosure of any affiliations or contractual arrangements between the Broker and any person making an offer in connection with the proposed Life Settlement Contracts;

- (4) The name of each Broker who receives compensation and the amount of compensation received by that broker, which compensation includes anything of value paid or given to the Broker in connection with the life settlement contract;
- (5) A complete reconciliation of the gross offer or bid by the Provider to the net amount of proceeds or value to be received by the Owner. For the purpose of this section, gross offer or bid shall mean the total amount or value offered by the Provider for the purchase of one or more life insurance policies, inclusive of commissions and fees; and
- (6) The failure to provide the disclosures or rights described in this Section 9 shall be deemed an Unfair Trade Practice pursuant to Section 17.

**Section 10. Disclosure to Insurer**

*[Drafting Note: The provisions in this Section pertaining to premium finance arrangements and disclosures may be inserted into a state’s premium finance law. If so, it is recommended that the disclosures be made to the borrower and/or insured by a lender which takes the policy as collateral for a premium finance loan.]*

- A. Without limiting the ability of an insurer from assessing the insurability of a policy applicant and determining whether or not to issue the policy, and in addition to other questions an insurance carrier may lawfully pose to a life insurance applicant, insurance carriers may inquire in the application for insurance whether the proposed owner intends to pay premiums with the assistance of financing from a lender that will use the policy as collateral to support the financing.
  1. If, as described in Section 2L, the loan provides funds which can be used for a purpose other than paying for the premiums, costs, and expenses associated with obtaining and maintaining the life insurance policy and loan, the application shall be rejected as a violation of the Prohibited Practices in Section 13 of this Act.
  2. If the financing does not violate Section 13 in this manner, the insurance carrier:
    - (a) may make disclosures, including but not limited to such as the following, to the applicant and the insured, either on the application or an amendment to the application to be completed no later than the delivery of the policy:
 

“If you have entered into a loan arrangement where the policy is used as collateral, and the policy does change ownership at some point in the future in satisfaction of the loan, the following may be true:

      - (i.) a change of ownership could lead to a stranger owning an interest in the insured’s life;
      - (ii.) a change of ownership could in the future limit your ability to purchase future insurance on the insured’s life because there is a limit to how much coverage insurers will issue on one life;
      - (iii.) should there be a change of ownership and you wish to obtain more insurance coverage on the insured’s life in the future, the insured’s higher issue age, a change in health status, and/or other factors may reduce the ability to obtain coverage and/or may result in significantly higher premiums;

- (iv.) you should consult a professional advisor, since a change in ownership in satisfaction of the loan may result in tax consequences to the owner, depending on the structure of the loan;” and
- (b) may require certifications, such as the following, from the applicant and/or the insured:
  - (i) I have not entered into any agreement or arrangement providing for the future sale of this life insurance policy;
  - (ii) My loan arrangement for this policy provides funds sufficient to pay for some or all of the premiums, costs, and expenses associated with obtaining and maintaining my life insurance policy, but I have not entered into any agreement by which I am to receive consideration in exchange for procuring this policy; and
  - (iii) the borrower has an insurable interest in the insured.”

**Section 11. General Rules**

- A. A Provider entering into a Life Settlement Contract with any Owner of a policy, wherein the insured is terminally or chronically ill, shall first obtain:
  - 1. if the Owner is the insured, a written statement from a licensed attending physician that the Owner is of sound mind and under no constraint or undue influence to enter into a settlement contract; and
  - 2. a document in which the insured consents to the release of his medical records to a Provider, settlement broker, or insurance producer and, if the policy was issued less than two years from the date of application for a settlement contract, to the insurance company that issued the policy.
- B. The insurer shall respond to a request for verification of coverage submitted by a Provider, settlement broker, or life insurance producer not later than thirty calendar days of the date the request is received. The request for verification of coverage must be made on a form approved by the Commissioner. The insurer shall complete and issue the verification of coverage or indicate in which respects it is unable to respond. In its response, the insurer shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at this time regarding the validity of the insurance contract.
- C. Before or at the time of execution of the settlement contract, the Provider shall obtain a witnessed document in which the Owner consents to the settlement contract, represents that the Owner has a full and complete understanding of the settlement contract, that the Owner has a full and complete understanding of the benefits of the policy, acknowledges that the Owner is entering into the settlement contract freely and voluntarily, and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness and that the terminal or chronic illness or condition was diagnosed after the policy was issued.
- D. The insurer shall not unreasonably delay effecting change of ownership or beneficiary with any Life Settlement Contract lawfully entered into in this state or with a resident of this state.
- E. If a settlement broker or life insurance producer performs any of these activities required of the Provider, the Provider is deemed to have fulfilled the requirements of this section.

- F. If a Broker performs those verification of coverage activities required of the Provider, the provider is deemed to have fulfilled the requirements of section 9A.
- G. Within twenty (20) days after an owner executes the Life Settlement Contract, the Provider shall give written notice to the insurer that issued that insurance policy that the policy has become subject to a Life Settlement Contract. The notice shall be accompanied by the documents required by Section 10 A. (2).
- H. All medical information solicited or obtained by any licensee shall be subject to the applicable provision of state law relating to confidentiality of medical information, if not otherwise provided in this Act.
- I. All Life Settlement Contracts entered into in this state shall provide that the Owner may rescind the Contract on or before fifteen (15) days after the date it is executed by all parties thereto. Rescission, if exercised by the Owner, is effective only if both notice of the rescission is given, and the Owner repays all proceeds and any premiums, loans, and loan interest paid on account of the Provider within the rescission period. If the insured dies during the rescission period, the Contract shall be deemed to have been rescinded subject to repayment by the Owner or the Owner's estate of all proceeds and any premiums, loans, and loan interest to the Provider.
- J. Within three business days after receipt from the Owner of documents to effect the transfer of the insurance policy, the Provider shall pay the proceeds of the settlement to an escrow or trust account managed by a trustee or escrow agent in a state or federally chartered financial institution pending acknowledgement of the transfer by the issuer of the policy. The trustee or escrow agent shall be required to transfer the proceeds due to the Owner within three business days of acknowledgement of the transfer from the insurer.
- K. Failure to tender the Life Settlement Contract proceeds to the Owner by the date disclosed to the Owner renders the Contract voidable by the Owner for lack of consideration until the time the proceeds are tendered to and accepted by the Owner. A failure to give written notice of the right of rescission hereunder shall toll the right of rescission until thirty days after the written notice of the right of rescission has been given.
- L. Any fee paid by a Provider, party, individual, or an Owner to a Broker in exchange for services provided to the Owner pertaining to a Life Settlement Contract shall be computed as a percentage of the offer obtained, not the face value of the policy. Nothing in this Section shall be construed as prohibiting a Broker from reducing such Broker's fee below this percentage if the Broker so chooses.
- M. The Broker shall disclose to the Owner anything of value paid or given to a Broker, which relate to a Life Settlement Contract.
- N. No person at any time prior to, or at the time of, the application for, or issuance of, a policy, or during a two-year period commencing with the date of issuance of the policy, shall enter into a Life Settlement regardless of the date the compensation is to be provided and regardless of the date the assignment, transfer, sale, devise, bequest or surrender of the policy is to occur. This prohibition shall not apply if the Owner certifies to the Provider that:
  - 1. the policy was issued upon the Owner's exercise of conversion rights arising out of a group or individual policy, provided the total of the time covered under the conversion policy plus the time covered under the prior policy is at least twenty-four months. The time covered under a group policy must be calculated without regard to a change in

insurance carriers, provided the coverage has been continuous and under the same group sponsorship; or

2. the Owner submits independent evidence to the Provider that one or more of the following conditions have been met within the two-year period:
  - (a) the Owner or insured is terminally or chronically ill;
  - (b) the Owner or insured disposes of his ownership interests in a closely held corporation, pursuant to the terms of a buyout or other similar agreement in effect at the time the insurance policy was initially issued;
  - (c) the Owner's spouse dies;
  - (d) the Owner divorces his or her spouse;
  - (e) the Owner retires from full-time employment;
  - (f) the Owner becomes physically or mentally disabled and a physician determines that the disability prevents the Owner from maintaining full-time employment; or
  - (g) a final order, judgment or decree is entered by a court of competent jurisdiction, on the application of a creditor of the Owner, adjudicating the Owner bankrupt or insolvent, or approving a petition seeking reorganization of the Owner or appointing a receiver, trustee or liquidator to all or a substantial part of the Owner's assets;
3. Copies of the independent evidence required by Section 11.N(2) shall be submitted to the insurer when the Provider submits a request to the insurer for verification of coverage. The copies shall be accompanied by a letter of attestation from the Provider that the copies are true and correct copies of the documents received by the Provider. Nothing in this Section shall prohibit an insurer from exercising its right to contest the validity of any policy;
4. If the Provider submits to the insurer a copy of independent evidence provided for in item (2)(a) when the Provider submits a request to the insurer to effect the transfer of the policy to the Provider, the copy is deemed to establish that the settlement contract satisfies the requirements of this section.

## **Section 12. Authority to Promulgate Regulations; Conflict of Laws**

A. The Commissioner may:

1. promulgate regulations implementing Sections 1 to 18 of this Act and regulating the activities and relationships of Providers, Brokers, insurers and their agents, subject to statutory limitations on administrative rule making.

[Drafting Note: *Fees need not be mentioned if the fee is set by statute.*]

B. Conflict of Laws.

1. If there is more than one Owner on a single policy, and the Owners are residents of different states, the Life Settlement Contract shall be governed by the law of the state in

which the Owner having the largest percentage ownership resides or, if the Owners hold equal ownership, the state of residence of one Owner agreed upon in writing by all of the Owners. The law of the state of the Insured shall govern in the event that equal Owners fail to agree in writing upon a state of residence for jurisdictional purposes.

2. A Provider from this state who enters into a Life Settlement Contract with an Owner who is a resident of another state that has enacted statutes or adopted regulations governing Life Settlement Contracts, shall be governed in the effectuation of that Life Settlement Contract by the statutes and regulations of the Owner's state of residence. If the state in which the Owner is a resident has not enacted statutes or regulations governing Life Settlement Contracts, the Provider shall give the Owner notice that neither state regulates the transaction upon which he or she is entering. For transactions in those states, however, the Provider is to maintain all records required if the transactions were executed in the state of residence. The forms used in those states need not be approved by the Department.
3. If there is a conflict in the laws that apply to an Owner and a Purchaser in any individual transaction, the laws of the state that apply to the Owner shall take precedence and the Provider shall comply with those laws.

### **Section 13. Prohibited Practices**

#### **A. IT IS UNLAWFUL FOR ANY PERSON TO:**

1. enter into a Life Settlement Contract if such Person knows or reasonably should have known that the life insurance policy was obtained by means of a false, deceptive or misleading application for such policy;
2. engage in any transaction, practice or course of business if such Person knows or reasonably should have known that the intent was to avoid the notice requirements of this Section;
3. engage in any fraudulent act or practice in connection with any transaction relating to any settlement involving an Owner who is a resident of this state;
4. issue, solicit, market or otherwise promote the purchase of an insurance policy for the purpose of or with an emphasis on settling the policy;
5. enter into a premium finance agreement with any person or agency, or any person affiliated with such person or agency, pursuant to which such person shall receive any proceeds, fees or other consideration, directly or indirectly, from the policy or owner of the policy or any other person with respect to the premium finance agreement or any settlement contract or other transaction related to such policy that are in addition to the amounts required to pay the principal, interest and service charges related to policy premiums pursuant to the premium finance agreement or subsequent sale of such agreement; provided, further, that any payments, charges, fees or other amounts in addition to the amounts required to pay the principal, interest and service charges related to policy premiums paid under the premium finance agreement shall be remitted to the original owner of the policy or to his or her estate if he or she is not living at the time of the determination of the overpayment;
6. with respect to any settlement contract or insurance policy and a Broker, knowingly solicit an offer from, effectuate a life settlement contract with or make a sale to any

Provider, financing entity or related provider trust that is controlling, controlled by, or under common control with such Broker;

7. with respect to any Life Settlement Contract or insurance policy and a Provider, knowingly enter into a Life Settlement Contract with a Owner, if, in connection with such Life Settlement Contract, anything of value will be paid to a Broker that is controlling, controlled by, or under common control with such Provider or the financing entity or related Provider trust that is involved in such settlement contract;
8. with respect to a Provider, enter into a Life Settlement Contract unless the life settlement promotional, advertising and marketing materials, as may be prescribed by regulation, have been filed with the Commissioner. In no event shall any marketing materials expressly reference that the insurance is “free” for any period of time. The inclusion of any reference in the marketing materials that would cause an Owner to reasonably believe that the insurance is free for any period of time shall be considered a violation of this Act; or
9. with respect to any life insurance producer, insurance company, Broker, or Provider make any statement or representation to the applicant or policyholder in connection with the sale or financing of a life insurance policy to the effect that the insurance is free or without cost to the policyholder for any period of time unless provided in the policy.

B. A violation of Section 13 shall be deemed a Fraudulent Life Settlement Act.

#### **Section 14. Fraud Prevention and Control**

A. Fraudulent Life Settlement Acts, Interference and Participation of Convicted Felons Prohibited.

1. A person shall not commit a Fraudulent Life Settlement Act.
2. A person shall not knowingly and intentionally interfere with the enforcement of the provisions of this Act or investigations of suspected or actual violations of this Act.
3. A person in the business of life settlements shall not knowingly or intentionally permit any person convicted of a felony involving dishonesty or breach of trust to participate in the business of life settlements.

B. Fraud Warning Required

1. Life Settlement Contracts and applications for Life Settlement Contracts, regardless of the form of transmission, shall contain the following statement or a substantially similar statement:

“Any person who knowingly presents false information in an application for insurance or Life Settlement Contract is guilty of a crime and may be subject to fines and confinement in prison.”

2. The lack of a statement as required in Paragraph (1) of this subsection does not constitute a defense in any prosecution for a Fraudulent Life Settlement Act.

C. Mandatory Reporting of Fraudulent Life Settlement Acts

1. Any person engaged in the business of life settlements having knowledge or a reasonable belief that a Fraudulent Life Settlement Act is being, will be or has been committed shall provide to the Commissioner the information required by, and in a manner prescribed by, the Commissioner.
2. Any other person having knowledge or a reasonable belief that a Fraudulent Life Settlement Act is being, will be or has been committed may provide to the Commissioner the information required by, and in a manner prescribed by, the Commissioner.

D. Immunity from Liability

1. No civil liability shall be imposed on and no cause of action shall arise from a person's furnishing information concerning suspected, anticipated or completed Fraudulent Life Settlement Acts or suspected or completed fraudulent insurance acts, if the information is provided to or received from:
  - (a) the Commissioner or the Commissioner's employees, agents or representatives;
  - (b) federal, state or local law enforcement or regulatory officials or their employees, agents or representatives;
  - (c) a person involved in the prevention and detection of Fraudulent Life Settlement Acts or that person's agents, employees or representatives;
  - (d) any regulatory body or their employees, agents or representatives, overseeing life insurance, life settlements, securities or investment fraud;
  - (e) the life insurer that issued the life insurance policy covering the life of the insured; or
  - (f) the licensee and any agents, employees or representatives.
2. Paragraph (1) of this subsection shall not apply to statements made with actual malice. In an action brought against a person for filing a report or furnishing other information concerning a Fraudulent Life Settlement Act or a fraudulent insurance act, the party bringing the action shall plead specifically any allegation that Paragraph (1) does not apply because the person filing the report or furnishing the information did so with actual malice.
3. A person identified in Paragraph (1) shall be entitled to an award of attorney's fees and costs if he or she is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this Act and the party bringing the action was not substantially justified in doing so. For purposes of this section a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it was initiated.
4. This section does not abrogate or modify common law or statutory privileges or immunities enjoyed by a person described in Paragraph (1).

E. Confidentiality

1. The documents and evidence provided pursuant to Subsection D of this section or obtained by the Commissioner in an investigation of suspected or actual Fraudulent Life

Settlement Acts shall be privileged and confidential and shall not be a public record and shall not be subject to discovery or subpoena in a civil or criminal action.

2. Paragraph (1) of this subsection does not prohibit release by the Commissioner of documents and evidence obtained in an investigation of suspected or actual Fraudulent Life Settlement Acts:
  - (a) in administrative or judicial proceedings to enforce laws administered by the Commissioner;
  - (b) to federal, state or local law enforcement or regulatory agencies, to an organization established for the purpose of detecting and preventing Fraudulent Life Settlement Acts or to the NAIC; or
  - (c) at the discretion of the Commissioner, to a person in the business of life settlements that is aggrieved by a Fraudulent Life Settlement Act.
3. Release of documents and evidence under Paragraph (2) of this subsection does not abrogate or modify the privilege granted in Paragraph (1).

F. Other Law Enforcement or Regulatory Authority. This Act shall not:

1. preempt the authority or relieve the duty of other law enforcement or regulatory agencies to investigate, examine and prosecute suspected violations of law;
2. preempt, supersede, or limit any provision of any state securities law or any rule, order, or notice issued thereunder;
3. prevent or prohibit a person from disclosing voluntarily information concerning life settlement fraud to a law enforcement or regulatory agency other than the insurance department; or
