

NCOIL CORPORATE & INSTITUTIONAL PARTNERSHIP

PROGRAM STRUCTURE: 2017

NCOIL is pleased to announce the structure of its Corporate & Institutional Partnership (“CIP”) Program for 2017. This program, modeled after those existing at the National Conference of State Legislatures (“NCSL”), the Council of State Governments (“CSG”), the National Lieutenant Governors Association (“NLGA”), and the State Legislative Leaders Foundation (“SLLF”) will be extremely beneficial in serving as a stable source of financial support for NCOIL independent of specific conference programming.

The CIP will include a limited Caucus Membership for smaller entities, as well as a Chairman’s Council, Leader’s Council, Speaker’s Roundtable, and President’s Roundtable. Benefits common to all these levels include:

- recognition on the NCOIL website
- recognition in each NCOIL National Meeting program
