NCOIL HEALTH LONG TERM CARE AND HEALTH RETIREMENT COMMITTEE HOSTS INTERIM COMMITTEE CALL

Discuss Future of the Affordable Care Act and States Role

Manasquan, NJ: The National Conference of Insurance Legislators Health, Long Term Care and Health Retirement Committee will host an interim committee call on January 27 at 3 p.m. Eastern Standard time to discuss the future of the Affordable Care Act and the role state legislators can play to ensure coverage is available and affordable and companies remain solvent.

“It is vitally important that state legislators have a role in shaping how health care is delivered in the states” said Commissioner Tom Considine, NCOIL CEO. “This is an extraordinarily complex process and we need to hear from stakeholders about how best to move forward.”

Participants can register to participate in the call [here](#). In addition to the interim call, it is anticipated that NCOIL will discuss this at the 2017 Spring Meeting in New Orleans, LA from March 3 - 5.

NCOIL is a legislative organization comprised principally of legislators serving on state insurance and financial institutions committees around the nation. NCOIL writes Model Laws in insurance, works to both preserve the state jurisdiction over insurance as established by the McCarran-Ferguson Act seventy years ago and to serve as an educational forum for public policy makers and interested parties. Founded in 1969, NCOIL works to assert the prerogative of legislators in making state policy when it comes to insurance and educate state legislators on current and perennial insurance issues.
