### **NCOIL PRESIDENT PARTICIPATES IN NCCI REGULATOR PANEL**

#### *Discusses Issues Important to State Legislators*

Manasquan, NJ: KY Representative Steve Riggs, NCOIL President participated in a Panel at the National Council on Compensation Insurance Annual Issues Symposium. Many issues were discussed including solutions to the opioids crisis, balance billing regarding air ambulance use, Workers' Comp opt-out and the gig economy.

"It is important that the view of insurance state legislators are represented at symposiums like this" said Riggs. "I want to thank the NCCI for inviting me to share my thoughts. Many of these issues come up regularly at NCOIL meetings."

NCCI regularly attends and participates at NCOIL meetings. The 2017 summer meeting is in Chicago from July 12 – 15 at the InterContinental Magnificent Mile.

*NCOIL is a legislative organization comprised principally of legislators serving on state insurance and financial institutions committees around the nation. NCOIL writes Model Laws in insurance, works to both preserve the state jurisdiction over insurance as established by the McCarran-Ferguson Act seventy years ago and to serve as an educational forum for public policy makers and interested parties. Founded in 1969, NCOIL works to assert the prerogative of legislators in making state policy when it comes to insurance and educate state legislators on current and recurring insurance issues.*
