200 W. Washington
Indianapolis, IN 46204

Re: NCOIL Model Consumer Protecting Towing Act

Dear Representative Lehman:

Thank you for your invitation to attend the NCOIL Annual Meeting in Phoenix, AZ. Due to several prior meeting commitments in Baltimore MD and Washington DC, TRAA will not be unable to attend.

Please accept our formal request to remove the NCOIL Model Consumer Protection Towing Act from the Property & Casualty Committee meeting agenda during the annual meeting in Phoenix, AZ from November 16-19, 2017.

A postponement will allow us the time to schedule a meeting between NCOIL and the towing industry to present our concerns and provide valuable input on the Model Towing Act.

We hope you will consider our request for a postponement. Please contact the TRAA Office to coordinate a meeting between our organizations at your earliest convenience.

Sincerely,

President

First Vice-President
TRAA Legislative Advocacy Network™ Chairperson
