

InsurTech's Old Kentucky Home: How HB 386 Brings Insurance Innovation to Kentucky

Kentucky Department of Insurance

Patrick O'Connor II, Deputy Commissioner of Policy

A Commonwealth State of Mind

- Kentucky
 - Population of 4.4 million people
 - Geographically diverse
 - 4 Major Metropolitan Areas/Centers
- Historically Known For:
 - Coal
 - Thoroughbred Horse Racing
 - Bourbon
- Transformation and Growth Since 2016:
 - Nearly 40,000 new manufacturing, service, and technology jobs have located in Kentucky.
 - Over \$15 Billion in new business investments.
- Kentucky Rankings
 - #1 in U.S. in vehicle production per capita
 - #2 in U.S. in employment in motor vehicle manufacturing
 - #2 in U.S. in aerospace related exports
 - #4 in U.S. in vehicle production overall
 - #8 in U.S. among top business climates
- Public and private universities educating top tier workforce hungry for opportunity.
- Expanding and evolving economy ripe for new sector innovation and investment.

Goals

- Flexibility
 - Provide Department with some flexibility to review meritorious innovation and permit its limited use in the marketplace.
- Consumer Protection
 - Ensure vital consumer protections remain in place and oversight available to terminate harmful beta tests.
- Dialogue
 - Encourage innovation and increase the dialogue between various parties in this environment.
- Collaboration
 - Support insurance innovation and economic growth within Kentucky by fostering a collaborative relationship between the parties.

Summary of HB 386

- Framework:
 - Providing the Commissioner with the statutory authority to waive specific regulatory and/or statutory barriers to permit the use, sale, or licensure of an approved insurance innovation.
 - Detailed application for review by the Director of Insurance Innovation.
- Discretion:
 - Commissioner has broad discretion and oversight at all stages including the application process, issuance of letters, beta test oversight, and reporting.
- Consumer protection is main priority:
 - Licensing and financial security requirements;
 - Specific consideration in the application and approval process;
 - Terms and conditions letter;
 - Some statutes specifically can't be waived; and
 - Early termination and civil penalty.
- Legislative Oversight:
 - Reporting requirements for DOI.
 - Recommendations for statutory and/or regulatory change.

The Innovation Application

- Section 2 establishes the application process.
 - Requirements include:
 - Detailed explanation of innovation and how it adds value and doesn't pose an unreasonable risk of consumer harm;
 - Applicable licenses held;
 - Specific citation to regulatory/statutory barriers; and
 - Disclosure of financial security.
- Application Submission
 - Hard copy directly to the Department;
 - Hand delivery to the Department; and
 - Electronically through eServices at **insurance.ky.gov (in progress)**.

The Innovation Application

The screenshot displays the homepage of the Kentucky Department of Insurance. At the top left is the PPC logo (Public Protection Cabinet) and the text "Kentucky Department of Insurance". A search bar is located at the top center. On the top right, there is a portrait of Nancy G. Atkins, Commissioner of the Department of Insurance, next to the state seal of Kentucky. A dark blue navigation bar contains the following menu items: Home, Consumers, Licensees, Insurers, Our Divisions, Search Options, eServices, Contact, and Open Records. The "eServices" menu item is highlighted with a red arrow pointing upwards from the "eServices" button in the main content area. The main content area features a grid of blue buttons for various services: File a Complaint, Bulletins and Advisories, Publications, Forms & Documents, Licensee Search, eServices, Report Insurance Fraud, Statutes & Regulations, and Health Care Reforms. To the right of this grid is a "Latest News" section with a list of recent updates, including proposed insurance rates, health benefit plans, and fraud statistics. Below the grid is a "DOI Press Releases" section with a list of news items, such as "Kentucky Creates Insurance Innovation 'Sandbox'" and "KSBIT members to receive \$5 million disbursement".

Insurance Innovation

Think Kentucky

InsurTech's Old Kentucky Home
HB 386 Brings Insurance Innovation to Kentucky.

Kentucky offers a unique opportunity for innovators and entrepreneurs to beta test a wide variety of insurance products, processes, methods, and procedures according to the framework established in 2019 under House Bill 386 and signed into law by Gov. Bevin. All interested parties can obtain a copy of HB 386 here: <https://apps.legislature.ky.gov/record/19rs/hb386.html>

The Department of Insurance is responsible for implementing the new system, and charged with broad oversight of the application process and approved beta tests.

The Department will begin accepting applications on June 27, 2019 at 8:00am. Applications may be delivered by mail (Attn: Insurance Innovation Review) or hand delivery (215 W. Main Street, Frankfort, KY 40602).
