Rep. Tom Oliverson MD, TX

NCOIL CEO, Commissioner Tom Considine said, "In 2022, NCOIL will continue to work tirelessly to advance model legislation that protects consumers and preserves the proven state-based system of insurance regulation. It is important to remember that the strongest consumer protection is a solvent company at the time of a claim, so legislators must always keep insurer solvency in mind."

"This group of chairs and vice-chairs that Asm. Cooley has selected is committed to those goals and will certainly contribute to the positive growth and momentum NCOIL has experienced the past several years," Considine concluded.
